November 14, 2012

The following lists are of equipment and gear that Quetzaltrekkers needs to keep running the treks that sustain Asociacion Escuela de la Calle.

*Specific* equipment that *cannot* be found in Guatemala:

- [Katadyn Endurance Combi Water Filter - Replacement Ceramic Element](#)
- [MSR MiniWorks Water Filter - Replacement Ceramic Element](#)
- [MSR Whisperlite International Stoves](#)
- [MSR Fuel Pumps](#) (please select "Standard Fuel Pump")
- [MSR Annual Maintenance Kit](#) or [MSR Expedition Service Kit](#) (please select "Whisperlite Expedition Kit")
- [Nikwax Down Wash](#)
- [Nikwax Tech Wash](#) or [Nikwax TX.Direct Wash-In](#)

Equipment that Quetzaltrekkers is always in need of that *cannot* be found in Guatemala:

- Sleeping Bags (rated to at least 5°C or 40°F)
- Hiking Backpacks of at least 60L capacity
- Compression Sacks/Dry Bags for Sleeping bags
- Sleeping Pads (non-inflatable)
- Head Torches/Head Lamps
- Waterproof Trousers

Equipment that Quetzaltrekkers is always in need of but *can* be found in Guatemala:

- Waterproof Jackets
- Ponchos

Any gear donated is very gratefully received. If you are willing to donate equipment, please consider the lists above in order of priority. Please contact Quetzaltrekkers to get more information about getting the donation to us (either through direct shipping, or having it brought down by someone).

Many thanks,

Quetzaltrekkers
